

## ATM (2G7) Rabbit Monoclonal Antibody

Catalog# UZ-MA00221

### Product information

|                     |                                                                                                                                                                                                                            |

| 运输及保存条件             | -20°C/1 year                                                                                                                                                                                                               |
| 宿主                  | Rabbit                                                                                                                                                                                                                     |
| 同种型                 | IgG                                                                                                                                                                                                                        |
| 注意事项                | ATM Antibody is for research use only and not for use in diagnostic or therapeutic procedures.                                                                                                                             |
| 细胞定位                | Nucleus. Cytoplasmic vesicle. Cytoplasm, cytoskeleton, microtubule organizing center, centrosome {ECO:0000250 UniProtKB:Q62388}. Note=Primarily nuclear. Found also in endocytic vesicles in association with beta-adaptin |
| Clonality           | Monoclonal                                                                                                                                                                                                                 |
