

## ABCF3 Rabbit Polyclonal Antibody

Catalog# UZ-PA00174

### Product information

|                     |                                                                                                                                                                                                 |

| 产品货号                | UZ-PA00174                                                                                                                                                                                      |
| 产品名称                | ABCF3 Rabbit Polyclonal Antibody                                                                                                                                                                |
| 类别                  | 抗体产品                                                                                                                                                                                            |
| 基因名称                | ABCF3                                                                                                                                                                                           |
| 推荐应用                | WB,ELISA                                                                                                                                                                                        |
| 反应种属                | Human,Mouse,Rat                                                                                                                                                                                 |
| 存储缓冲液               | Liquid in PBS containing 50% glycerol, and 0.02% New type preservative N.                                                                                                                       |
| Human Gene ID       | 55324                                                                                                                                                                                           |
| Human Swissprot No. | Q9NUQ8                                                                                                                                                                                          |
| 免疫原                 | Synthesized peptide derived from human protein . at AA range: 40-120                                                                                                                            |
| 稀释度                 | WB 1:500-2000, ELISA 1:5000-20000                                                                                                                                                               |
| 预测分子量               | 77kDa                                                                                                                                                                                           |
| 运输及保存条件             | -20°C/1 year                                                                                                                                                                                    |
| 宿主                  | Rabbit                                                                                                                                                                                          |
| 同种型                 | Rabbit,IgG                                                                                                                                                                                      |
| 背景介绍                | caution:Lacks transmembrane domains and is probably not involved in transport.,similarity:Belongs to the ABC transporter family. EF3 subfamily.,similarity:Contains 2 ABC transporter domains., |
| 细胞定位                | cell-cell adherens junction,membrane,                                                                                                                                                           |
| 纯化                  | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                           |
| Clonality           | Polyclonal                                                                                                                                                                                      |
